*Mankind has had a massive shock  
From the Covid, that has talked the talk  
It has laid us, completely flat and low  
More than ever, in the years we've known  
Yet mankind within, it's own bright spark  
It realises its errors, as it sits in the dark  
And slowly but surely it begins to hope  
A better new world, instead of sit'n mope*

*As families, huddled together at home  
Some of us are alone and lonesome  
Love's come back to us, in difficult days  
For who we haven't had, for years a craze  
Out of the house, a few lucky ones roam  
O'er vales en green, as t' world's a-storm  
By hapless police, get caught in the park  
Or get a spot to survive, in Noah's ark*

*As we watch, Planet Earth taking back  
What it had lost under our human attack  
We realise that perhaps and very much  
Mankind must stop behaving as such  
Google and Apple creating new apps  
Gates and Microsoft filling in the gaps  
As social distancing becomes the norm  
Humans to stay away as per app inform*

*Living with other in happiness, harmony  
With other creatures, lovely bugs & bunny  
Countries too must immediately stop  
Treating poor badly, so heal from d'shock  
The only one way, some of us will make it  
By keeping from other 'an each every Brit  
But more so also by respecting our planet  
Unless we want to be called, a Covidiot!*
